

## Corporate Income Tax Rates by Province — 2019 (%)

(Prepared from information available as of June 10, 2019)

All rates that change must be pro-rated for taxation years that straddle the effective date. Use the rate changes to determine rates for taxation years ending on December 31, 2015 or later.

Tax holidays may reduce or eliminate provincial tax.

In addition to income tax, financial institutions may also be subject to Part VI Financial Institution Capital Tax (see **Other Federal Corporate Tax Rates for 2019**) and provincial capital taxes (see **Financial Institutions Capital Tax Rates and Exemptions for 2019**).
